Taking you from beginner to expert, one article at a time.

## Money built for the internet

Whatever you can do with digital currencies, you can now do with digital cash.

### Blockchain Companies

- ✓ Offer your services in a variety of digital currencies
- ✓ Price goods and services in a currency your customers are familiar with

### Exchanges

- ✓ Use ether as an alternative to traditional currency deposit and withdrawal
- ✓ Secure and manage customer assets purely through crypto-processes

### Individuals/Traders

- ✓ Seamlessly move currency between exchanges and wallets
- ✓ Enhance your cross-exchange and currency arbitrage strategy
